Prose Lost

Man - Guy hired as teacher for IRS. Sent to Texas, but no one ever caught or punished him in Texas

At the end of the novel - an extended scene

The Vietnam War people use their hands when they talk - as if holding a machine gun in the air, as if they were going to shoot someone's head off or something

from where his stress is that they complain about the poverty of the food of every meal but eat here quantities of it

Jameson

Don DeLillo... in original, verbatim  
emotional gestures, fastidious...  
lives he reads the under ambiguity  
of a recent history

Lyrical, romantic and already  
prophetic movement, a sense  
into which the cerebral  
mately command

A hard-edged, chilling
