Neural Networks Research Group @ PeWe

GROUP INTRODUCTION

19ST SEPTEMBER 2018
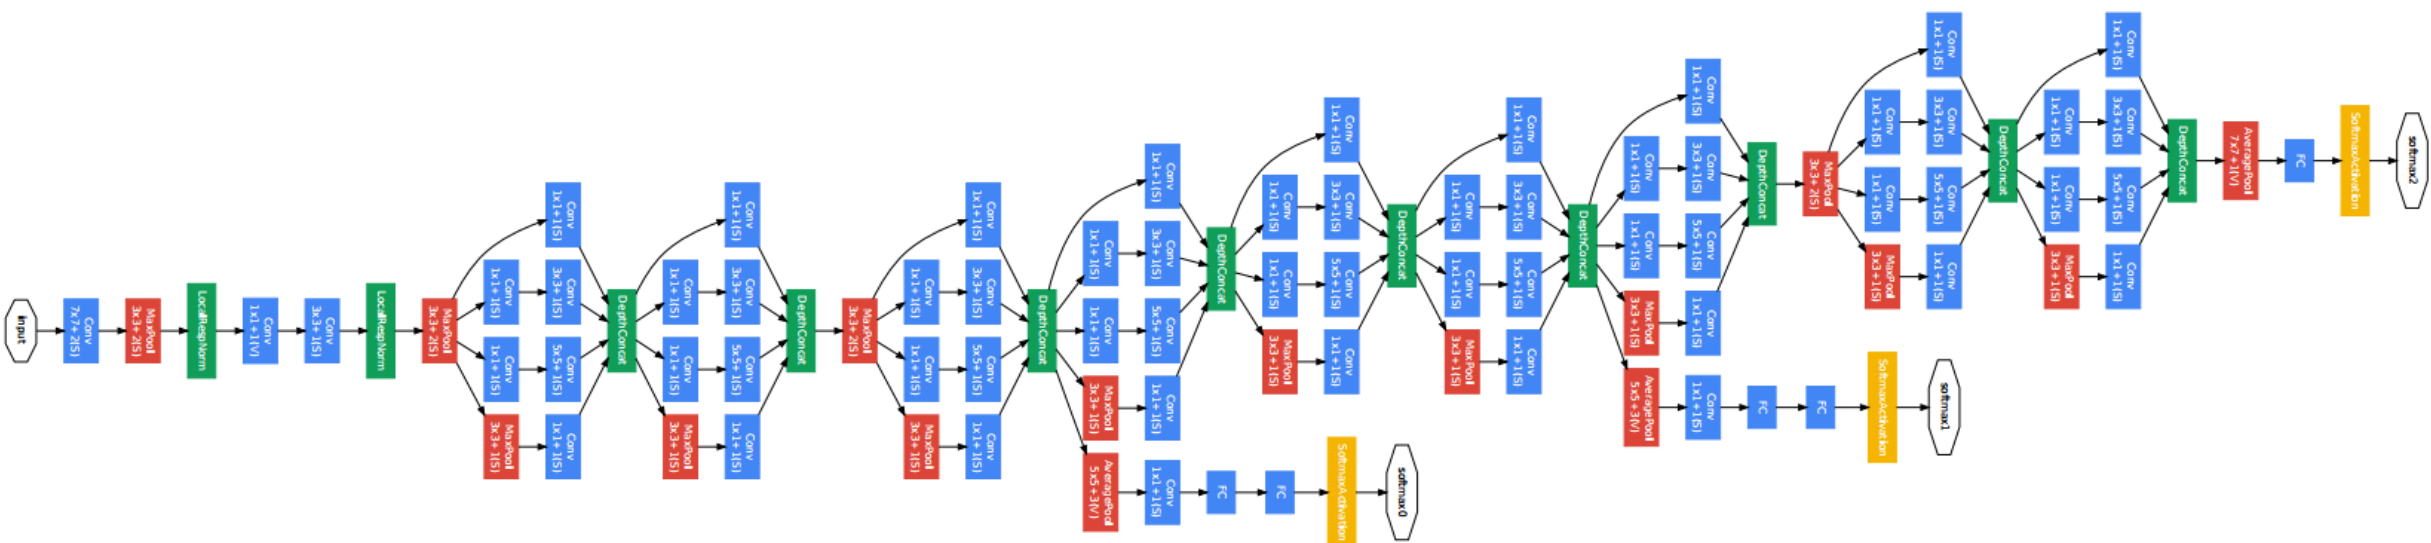

Neural networks

Neural networks

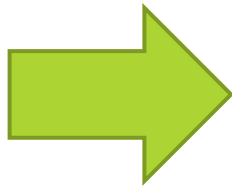

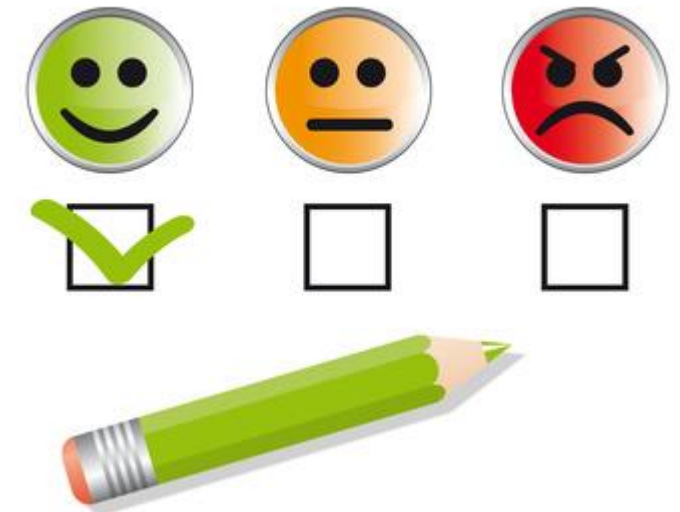

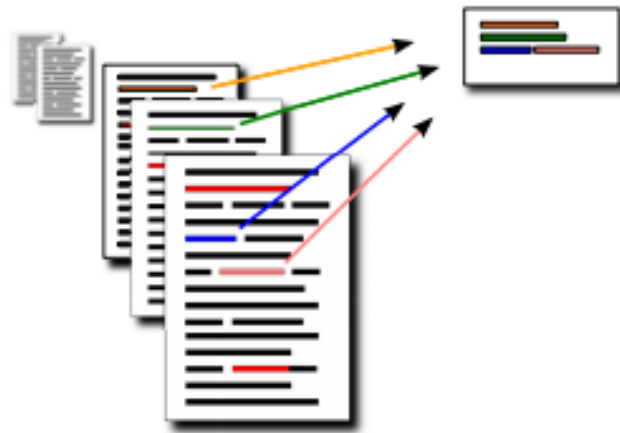

WE NEED TO GO

DEEPER

Deep netorks

Deep networks

Natural language processing (NLP)

M. Kagebäck, O. Mogren, N. Tahmasebi, and D. Dubhashi. Proceedings of the 2nd Workshop on Continuous Vector Space Models and their Compositionality (CVSC), page 31--39. Gothenburg, Sweden, Association for Computational Linguistics, (April 2014)
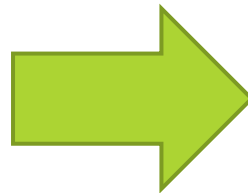

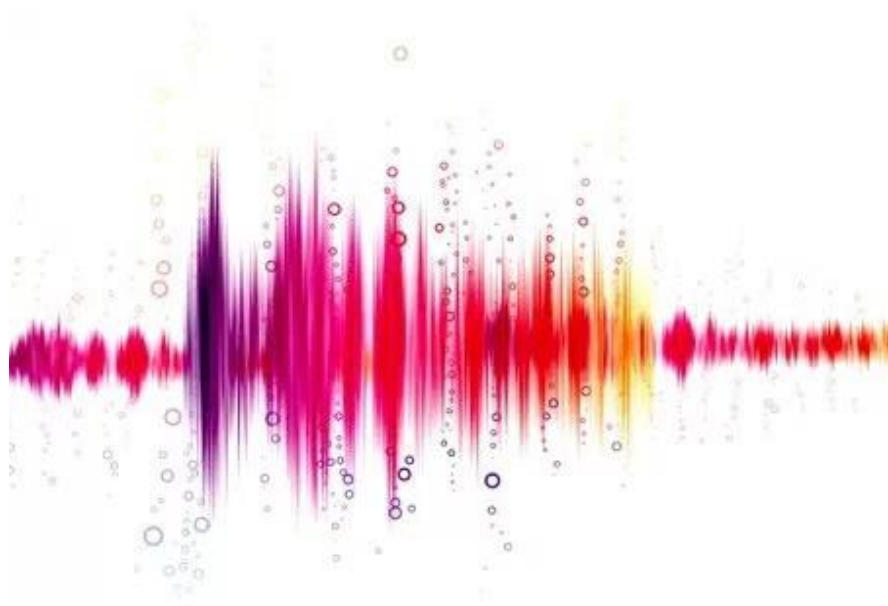

http://www.clarabridge.com/blog/sentiment-analysis-and-business-sense/

(Time) series prediction

Sound analysis

Image processing
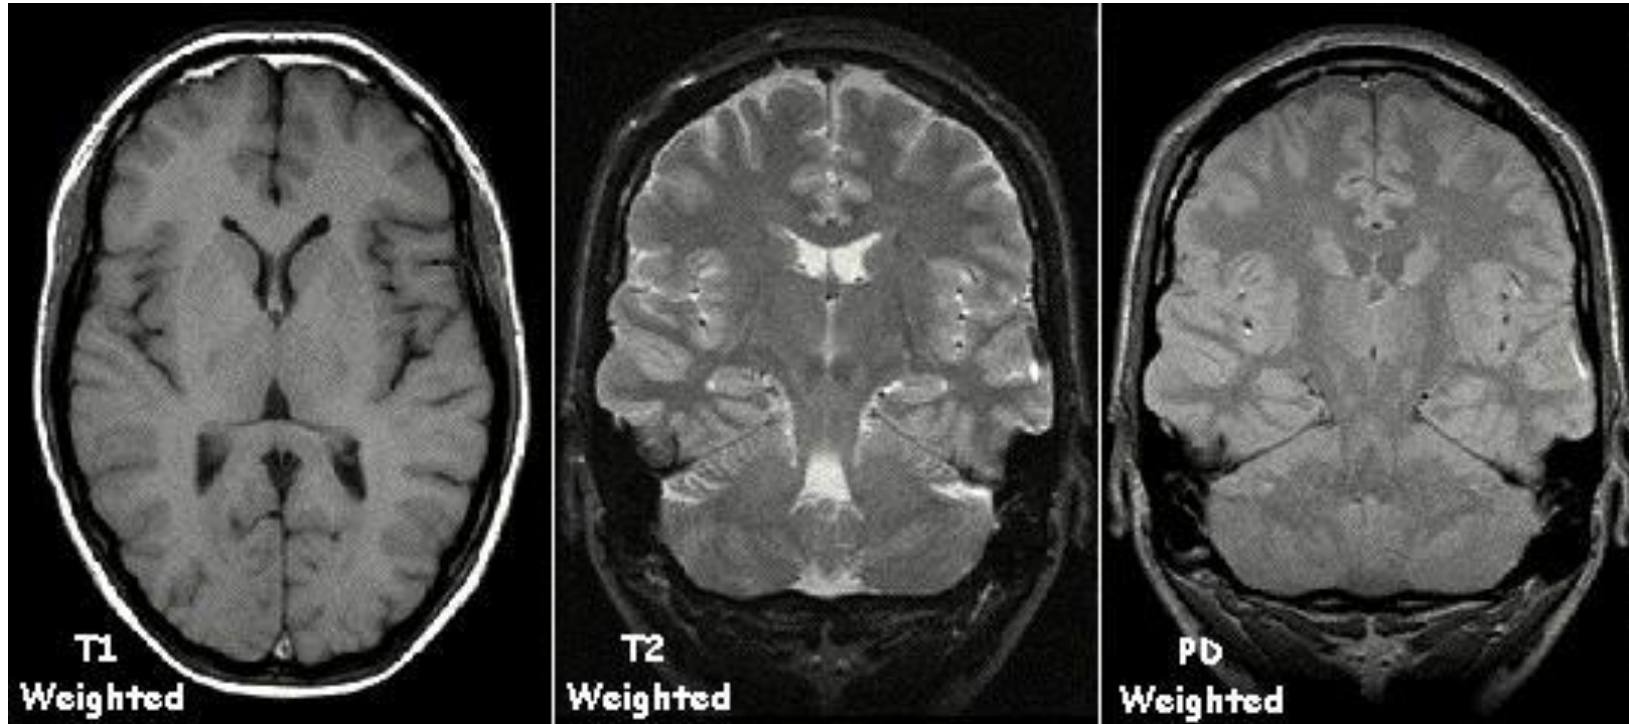

Members

Staff

- Michal Barla
- Mária Bieliková
- Peter Lacko

Doctoral students

- Michal Farkaš
- Lukáš Marták
- Matúš Pikuliak
- Martin Tamajka
- Viktor Bachratý
- ....

+ everyone who wants to train his network
