

Groups of images - differences in attributes

- We have two groups of images
- What we need to know:
 - *“What are the key parts of these images for the distinguishing of these groups”*
- No need to worry, there is basically no bad answer
- Only 5 - 10 minutes of your time
- <http://userstudy-dp-xjanecekj.herokuapp.com/>

With the words of a famous company trademark...

JUST DO IT
